**Re: Cancellation of the Sahuarita Unified School District #30
Energy Savings Contract RFP #2010-8**

To Whom It May Concern:

The Sahuarita Unified School District has determined that it is in the best interest of the District to terminate the Energy Savings Contract RFP #2010-8 solicitation. It is not advantageous for the District to enter into an energy saving contract at this time. We thank you for your interest in our District and apologize for any inconvenience.

Respectfully,
