

NOVEMBER BOND PROJECTS UPDATE...

CURRENT PROJECTS:

- Contract has been awarded for District Security Cameras and purchase orders have been placed.
- Contract for the Main Campus to be connected to Sahuarita Water Company has been awarded and work has begun.
- The District Wide Fencing Project has gone out for bid.
- Bleachers for the Anza Trail Gymnasium have been ordered and are scheduled to be delivered and installed in December.
- The District is moving forward with the archeological survey for the New High School site.
- The School District was awarded a \$100,000 Energy Grant from the state for Sahuarita Intermediate School and Gym. Work has begun on the retrofit and should be complete by the beginning of December. This retrofit will help with utility cost at the Intermediate School starting this fiscal year.

TOGETHER WE CAN
