

SAHUARITA UNIFIED SCHOOL DISTRICT

BOND PROJECTS UPDATE:

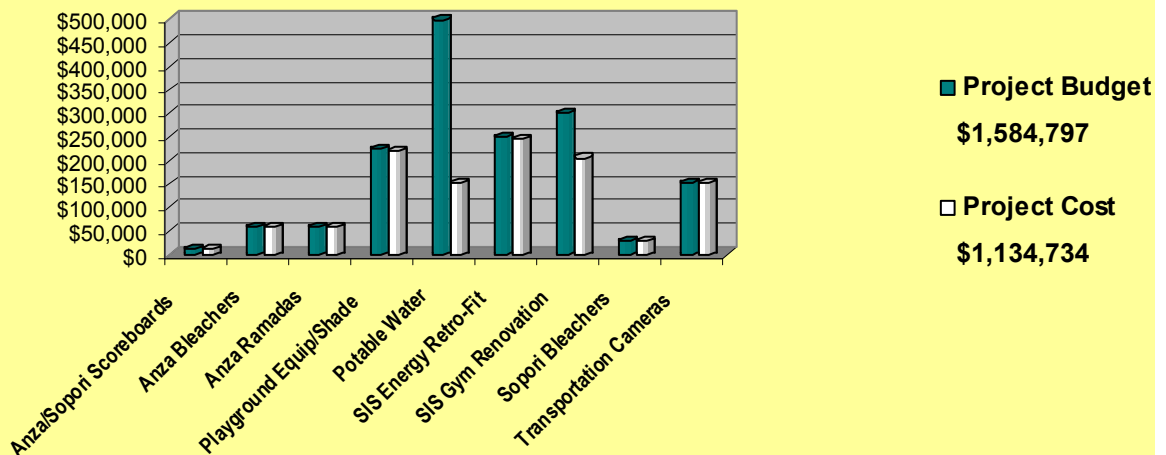

SPRING 2009

Current Projects:

- The District Wide Fencing Project has been awarded to Security Fence of Arizona and work has begun at the main campuses on Sahuarita Road and at Sopori Elementary. The project is about 70% complete with a total completion date of June 30, 2009.
- If you have visited any of the schools recently you may have noticed the security cameras in place and still being installed. Smile, you are on Sahuarita Unified School District security TV. 😄
- The Anza Trail Parking, New High School and SMS Gym Renovation are in various stages of planning and design with the State Facilities Board, Sahuarita Water Company and the Town of Sahuarita.

Completed Projects:

Current Bond Monies Encumbered & Spent: \$1,904,409

THANK YOU!

Thanks to all Faculty and Support Staff during the demolition and installation of the security fencing project. Your patience and support have been greatly appreciated by the Bond Office and the contractor.
