ACPE is proud to announce our new AZ Grants website; launched July 2008.

Students log on to [www.azgrants.gov](http://www.azgrants.gov) to use a single application to apply for all state grant  
programs. The system will determine which programs the student is eligible for and let them  
know. We currently offer four state grant programs and have plans to launch two additional  
state grant programs in November.

*Please Note: As a counseling staff we support our students in many leadership programs and activities, especially the ones that are low cost or free. We spend a great deal of time organizing, recommending and selecting students for these programs. However, we also receive many opportunities that require significant tuition and/or traveling expenses. As a staff we do not feel that we can freely endorse these opportunities because of the cost. If you are interested in these types of opportunities, please contact Mrs. Finley at 625-3502, X 1595 and she can share with you what is available.*
