Kindergarden-6th Grade

Sahuarita School District

Sopori PTO Needs You

There's a lot more to be accomplished and we need your help. Our group is made of moms and dads, uncles and aunts, grandparents and friends who care about children and education. We are your neighbors, and we share many of the same concerns you do. Won't you join us?

Sopori School PTO

Sopori School is about men and women working together toward a common goal. That goal is creating a better school and a better educational experience for our children. We strive to create an atmosphere where teachers and administrators can do their best work—and so can our children.

Here are some PTO projects we have accomplished:

- Helped build literacy by organizing and running the R.E.A.D. bilingual family reading program made possible with a grant from Pro-Neighborhoods.
- Improved children's morale by purchasing playground toys.
- Purchased books for Sopori's first 6th grade class so all children could read the same book for class discussion.
- Purchased a "cougars" bench for the school courtyard.
- Contributed \$100 for art supplies for an artist in residence at Sopori School.

Sopori "Cougars" Bench

Our Mission...

- To promote the welfare of children and youth in home, school and community.
- To bring closer the relationship of home and school so that parents and teachers may cooperate intelligently in the education of the child.
- To enhance the educational facilities and opportunities for the students of Sopori School that is not otherwise provided for in the school corporation budgets.

Why Should Parents Join?

- Be an active part of your children's education and our wonderful community of parents and teachers.
- Share your new and inspiring ideas and help create "FUN" fundraising opportunities.

But that's not the only reason to take part. There have been more than 500 independent research studies about parent involvement. The results are startling! When parents get involved in their children's education, grades and test scores go up, they have fewer discipline problems, and they're less likely to use drugs and alcohol.

Volunteering doesn't mean a huge time commitment. An hour or two a semester makes

a big difference. The PTO group does not require dues or fees to join. You do not have to attend meetings to be a member. Any time you can offer to the PTO is of great value to our school and our children. Please call the Sopori School office for more information.

Spending more time with your child doing activities, increases your child's academic achievements! (Eliot 1999)
